Henry County Retired Teachers Association
ORTA Chapter Since 1968

HCRTA Meets on the Second Monday of March, May, July, September,
November, and December at Oberhaus Park, Napoleon, Ohio
Website, hcrtaonline.org

Volume 20 Issue 2

May 12, 2014

Mission Statement

The Henry County Retired Teachers Association continues its mission of encouraging scholarship, fostering volunteerism, providing an informed voice for retired teachers on issues relevant to their well-being, and presenting significant information in a congenial social setting.

Vision Statement

Within five years, HCRTA will move to a position among the top five chapters in Ohio, building upon its legacy: Encouraging Scholarship, Fostering Volunteerism, Promoting and protecting retiree interests, Supporting advancement of Public Education in Ohio, Developing a pro-active membership.

Your Leadership Team for 2014.

Charlie Meyer is your President of the Henry County Retired Teachers Association. Jerri Osborn is the President of the HCRT Foundation.

POEM

In Flanders fields the poppies
blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short
days ago
We lived, felt dawn, saw sunset
glow,
Loved and were loved, and now we lie
In Flanders fields.
Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

This poem continues McCrae's heavy interest with death and how it is the transition between life and the peace that follows. Written from the point of view of the dead, it tells of sacrifice and the command of the living to press on.

Enjoy those real and artificial poppies this month. If you don't already have some, now is a good time to

Summer Hosting Opportunity Through 4-H
for families with children 10 to 15 years old. Japanese youth will be with Ohio host families from July 25 through August 18. It's a great summer adventure and an enriching learning experience for families. If you have grandchildren or friends in this age group, please pass this information along. Call LeAnn Hall

We have lost a dear friend.

Henry County Retired Teachers Association March 10, 2014 Secretary's Report - Bev Wittes

The meeting was called to order by President Charlie Meyer with the ringing of a school bell. Members rose to recite the Pledge of Allegiance and guests Tonya Gomez and Amy Good from the Fulton County Health Center were greeted. Following a prayer offered by Larry Sinclair, a meal of Salisbury Steak, Mashed Potatoes, Corn, Rolls and Brownie Dessert was enjoyed by all. Preceding the opening of business, a moment of silence was devoted to members who passed away during the last year. Those honored were Betty Miller, Margaret Austermilller and Jack Slagle.

Jerri Osborn then gave a report from the Henry County Retired Teachers Foundation. The members met on February 27, 2014. Steve Seagrave was welcomed as a new member of the board. A report from the Foundation and an updated history of recipients may be found in the March newsletter. It was reported that audits of the Foundation are to take place every two years, with one scheduled for 2014. Handouts are available for the scholarships and will be sent online to HCRTA members. All members are asked to think of possible candidates for the scholarships and to encourage them to submit applications for the appropriate scholarships by the due dates of April 1 and June 1 respectively.

President Meyer then recognized Bob and Mary Joseph for their years of service to HCRTA, collecting monies for lunches and chairing the phone tree. Thanks for a job well done! Steve Seagrave will assume the duty of collecting monies and Anne Rausch will take over the phone tree. It was also mentioned that Bob has recently had hip surgery and all wish him a speedy recovery.

Members were then recognized for perfect attendance in 2013. Those awarded were: Charlene Freppel, Ruth Johnson, Mary Lou Mengerink, Dick Mengerink, Jerri Osborn, Bev Phillips, Doris Ruby, Nancy Schink, Louisa Strock and Dora Titgemeyer.

The Secretary's Report was in the newsletter. Additions were Larry Vocke, assuming the duties of Information Services and Max Fetterman, leaving the Board of the Henry County Retired Teachers Foundation. The minutes were approved as amended with a motion by Rosemary Pfau, seconded by Becky Schindler. The Treasurer's Report was given by Duane Ressler. An audit conducted by Bob Joseph found everything in good order. It was noted that monies from the 50-50 drawings help to defray expenses, so all are encouraged to participate. It was also noted that members making reservations for meals who are then unable to attend are sent letters notifying them of the obligation to pay that cost, as the group can not make up those expenses. The 50-50 drawing was then held, with Linda Wagner the lucky winner.

Committee Reports:

Courtesy South: Sandy Honemann reported sending "thinking of you" cards to several members. It was also mentioned at this time that Don Freeman is in the Lutheran Home in Napoleon.

Legislative: Becky Schindler reported that STRS returns are in better condition at last update. Other issues currently in the legislative news include reports on WEP-GPO, talk of mandatory social security, and the issue of double dipping. Becky noted an upcoming conference in Zanesville. Members were also asked to sign a petition concerned with the cost of oral chemo.

Membership: Janice Rettig asked members to let her know the names, addresses and emails of prospective new members. This is the time of year for retirement announcements, so keep an eye out.

Webmaster: Karen Brubaker reminded members that forms for the book grants are on the site as PDF files that may be

downloaded. She added that messages to the HCRTA leadership may be sent to the website and she will forward them. She also encouraged members to use the site as a recruitment tool, as the pictures, schedules and program notes on the site may entice new members to join.

Historian: Faith Hurst reported receiving several clipped articles today and encouraged members to continue to submit them to her.

Newsletter: Charlie Griffith reported a bountiful amount of information led to a full ten pages in the latest issue. He thanked all of the contributors and reminded all to continue to submit articles as soon as possible. He is also looking for someone to take over the duties of compiling the HCRTA Directory, so anyone interested should contact him.

Old Business:

Thanks were given for the support of the group for the "Together We Can Make a Difference" project. We will continue to gather supplies for the effort this year. Items for each month are as follows: May cash donation for diapers, July razors or cash donation, Sept. toilet paper or cash donation, Nov. tooth paste or cash donation, Dec. cash donation
The caterer for the year will be Anita and Vince Frodi, Expressions Catering. Meals will be \$10.00. Any suggestions for the caterer should be given to President Meyer. All meals will precede the business meetings this year.

New Business:

President Meyer informed members of a travel opportunity through Northwest State. The experience, Five Stars and a Galaxy, will be April 27-May 1, and includes such sights as the Baseball Hall of Fame, the Colonial Capital in Albany, Home of FDR in Springfield, West Point Academy, a restored coal mine in Lackawanna, Pa., and following the Mohawk Trail. Cost is \$999.00, and members wishing further information may contact Louisa Strock.

There will again be a flower sale in May, thanks to Bonnie Eddy. Profits of the sale will benefit Together We Can Make A Difference.

President Meyer announced that the ORTA Conference will be held in Columbus at the Ohio History Center on April 8, 2014. Registration is due March 17 and our Chapter may send up to four persons, so anyone interested should let President Meyer know. Carol Wolfe, District President from Bryan, will serve on a "panel of peers" at the conference.

An article from the newspaper was shared concerning the Black Cloister Brewery. We will be hearing about this new venture from Bob Hall at the July meeting.

President Meyer also cautioned members to be aware of scams continuing to circulate over the phone. He had personally received such a call recently, so continue to be vigilant when answering any such calls.

Following the close of the business meeting, Dietitian Tonya Gomez from the Fulton County Health Center gave a very informative talk on the nutritional needs of mature persons. She discussed problems that we face as the body ages and how the impact of these issues may be lessened with proper diet, exercise and lifestyle changes. Handouts were provided with suggestions for making healthy choices.

Respectfully Submitted

Informative & Protective Services - Larry Vocke

Pros and Cons on buying Long-Term Care

First, the data-

In Ohio, average cost of nursing home care is \$5,000/month (\$60,000/year)

In Ohio, assisted living costs average \$3920/month

In Ohio, home healthcare averages \$18/hour (more on weekends & holidays)

Average stay in a nursing home is 835 days (2+ years)

At least 70% of people over age 65 will require some long-term care services at some point, more than 40% will need care in a nursing home.

67% of people who planned to have someone help with care haven't asked; one in five caregivers said they are "not at all prepared".

Other factors: Do you live a healthy lifestyle? If yes, you are often the type who need long-term care because you live longer, but often with a need for assistance.

How will long-term health care needs affect your family? A pro for long-term care insurance is that it reduces the burden of care that may otherwise fall on loved ones.

Are you willing to spend your own assets down and then become a dependent of the state?

A policy can alleviate this issue.

Can you afford a premium that would provide you a reasonable amount of coverage? Policies come in many forms- some basic and others with many more extras. A basic plan for a 65 year old would cost approximately \$3000 per year (\$250/mo.). Some plans qualify for tax deductions.

Due diligence – do your homework before purchasing a plan. There are some unscrupulous insurers who try to take advantages of your situation. Use only highly rated insurers with good fiscal standing. Get a lot advice before purchasing.

The Pros of long-term care insurance are that it allows you to maintain your independence and reduces the financial & psychological stress that a long term care need causes a family.

The cons are the cost of the premiums and the policies are often complex.

May – A Look Back - Faith Hurst

40 years ago:

Thirty Henry County Retired Teacher Association members were present at the Holiday Inn for a luncheon and the first business meeting of 1974. Some concern was expressed over Aetna Insurance replacing Blue Cross/Blue Shield. After the meeting the members drove to the Campbell Soup Company Plant for a tour of its facilities.

30 years ago:

A dinner meeting was held at St. John's United Church of Christ, Holgate, in May of 1984, with sixty-four HCRTA members and guests attending. District Director Earl Farber urged members to give full cooperation with AARP on all issues pertaining to legislation. The program for the evening was presented by Mary Fran Meekison on the history of education in the one room school.

20 years ago:

New members Barb Hoffman, Lois Young, and Margaret Austermiller were welcomed at the May HCRTA meeting held at the Holiday Inn. Treasurer Margaret Mueller reported a balance of \$3,808.63. Legislative Chairman Martha Potter reminded members of the need to send cards to Washington D.C. concerning health care. Jim Kieffer, ORTA District Director, spoke on Bill 207 and the need for retired teachers to have adequate representation on the State Retirement Board. A musical program by Mark Schmitkey and Peg Snyder followed the luncheon.

10 years ago:

The HCRTA May meeting was held at the Napoleon American Legion Hall. It was reported that 11 members had attended the District 1 meeting in Perrysburg. In legislative news Becky Schindler re-

ported that we do not support "Buy Ohio" at the levels proposed in H.B. 227." "Buy Ohio" requires that all or most of our pension be invested in Ohio businesses and these investments were very weak at the time. After dinner Chris Lankenau entertained the members with a program titled "Susie Homemaker and Her New 1954 Kitchen." Ms. Lankenau took us down memory lane to "The 50's" as we conjured up images of the kitchen appliances and colors of those years.

5 years ago:

The Henry County Hospital was the site of the May 2009 HCRTA meeting. Bonnie Eddy announced that Gene Grime's 2008 third grade dictionary project was recognized by NRTA-AARP for a Chapter Community Service Award. Ohio received five of the fifteen nationwide awards. Al Baldwin, Regional Manager of the Ohio Lottery Commission, was the speaker for the evening. Ohio schools receive about 29 percent of the lottery receipts. The Ohio Lottery began in 1973 and although the lottery provides much money to education, the receipts represent less than 5 percent of education expenses.

1 year ago:

President Charlie Meyer called the May HCRTA meeting to order at Oberhaus Park. New members Joe and Janet Aschemeier were announced. Anne Rausch reported that about 30 teachers attended the retirement planning seminar held in April. Rose Wiemken, President of the Henry County Historical Society, shared information about the society which was formed in 1970.

The Red Poppy - Bonnie Edy

Hopefully, spring is finally here to stay. I've actually been able to work outside the past couple of days and put plants into pots. The hostas are finally up, but not all leaves are completely open. Everything has been late in coming

up by two to three weeks. Two of the flower beds are full of poppies that will have red blooms by the end of the month. Do you remember what is special then? Answer – Memorial Day. Do you know what artificial flower is distributed by the American Legion Auxiliary

in exchange for donations? Answer – the red poppy.

The history of Memorial Day and the red poppy goes back to World War I and the writing of "In Flanders Fields" by Canadian physician Lieutenant Colonel John McCrae. On May 3, 1915, inspiration for writing that poem came after he presided over the funeral of his friend Alexis Helmer who died in battle. The poem was first published on December 8, 1915. It still is one of the most popular poems from WW1. The reference to the red poppies that grew over the graves of fallen soldiers led to one of the most recognized memorial symbols for soldiers who died in wars. In the US, the Veterans of Foreign Wars conducted the first nationwide distribution of remembrance poppies before Memorial Day in 1922.

Where Are They Now?

In 2007 Napoleon High School student Brooke Bostelman received the Griffith Family Book Grant. Brooke graduated from Miami University with a major in Early Childhood Education and is teaching 2nd grade for the Anderson Township Forrest Hills School District near Cincinnati, Ohio. Brooke is enjoying her third year of teaching and she is challenged to spend more time with students rather than paperwork.

After school Brooke is a high school Gymnastics Coaching Assistant at Turpin High School. She lives in Mt. Lookout and enjoys discovering new things in the Cincinnati area with her roommates.

Brooke is an Urban Youth Mentor for her church and is active in the church Bible Study Group. She sends a big thanks to the HCRTA for the Griffith Book Grant.

HCRT FOUNDATION Fund Raising

The Foundation solicits, receives, and invests gifts of money and property of every kind. Members are encouraged to promote memorial and honorary gifts to the Foundation. Gifts to the HCRT Foundation are tax deductible.

HCRT Foundation meeting - Jerri Osborn

The Foundation met at the home of Jerri Osborn on Monday, March 24, 2014. We welcomed our new board member Steve Seagrave ('17), from a long distance, since he was suffering in Hawaii, on vacation. Officers for 2014 - 2015 were elected and are as follows: Jerri Osborn, president; Jan Schlade, vice president; Faith Hurst, secretary; and Gene Grime; treasurer. Bev Curtis will be going off the rotation after the January, 2015 meeting. Book grants were discussed, and we decided to publicize the Griffith Grant separately from the King and Sherman Grants because of the earlier deadline. We also decided to limit the number of guests we pay for at the July meeting. We invite the grant winners and their parents to be our guests so they can be recognized, but there have occasionally been more guests than have actually been invited. So it will be stated more clearly in the invitation that there will be a total of three people for each grant who are invited as our guests. Any additional family/friends will be at their cost of \$10 each. Our next meeting will be on Monday, January 5, 2015 at Jerri Osborn's home.

HCRT Foundation - Bonnie Eddy

Do you know someone who is striving to become a teacher? Please encourage them to apply for the

following grants...

Griffith Family Book Grant: for residents of Henry County who are or are planning to major in education. The \$500 book grant from this fund is awarded to full-time undergraduate students wishing to obtain a Bachelor's Degree in Education. Preference will be given to a new (freshman) college student from Henry County, Ohio. If no one is eligible, the committee may use discretion for students already enrolled in an education degree program. Griffith Book Grant applications must be submitted by April 1.

Lucille and Margaret Sherman Book Grant: Residents of Henry County who are college juniors majoring in education are welcome to apply. This \$500 book grant is available through the HCRT Foundation. The Sherman Book Grant applications must be submitted by June 1.

Roger King Book Grant: for a graduate of Napoleon High School who was a member of the band or choir. This \$500 grant will be awarded to a candidate pursuing a degree in education, who is at least a sophomore in college, and recognizes music and the arts is an enrichment to daily living. King Book Grant applications must be submitted by June 1. *All applications are available through school guidance offices and online at hcrtaonline.org*

Note from the President....

Another school year is drawing to a close and it is time to award book grants to worthy students planning a future as educators. What kind of future do they face? Is teaching for a new “greenhorn” anything like we remember when we were in the classroom? Will new teachers experience the joy of interacting with and watching children learn? We retired teachers are lucky! We have been blessed with many fond memories of the fun filled times we spent with students under our care.

Teachers in today’s the classroom face an entire different world than what we experienced as educators. The Standard Aptitude Test (SAT) and the American College Test (ACT) were the only professional testing I can remember that students faced during their educational life. Yes, we administered semester exams and final exams for each class during high school and had chapter tests, etc. during upper elementary school ... and all of us experienced weekly “spelling tests” during the early elementary school years. But times have changed!

Competency Testing is now the tail that wags the educational dog. What has become of the ability of a teacher of evaluate the daily, weekly, or “6 weeks grade card” progression of students as they move through the educational process? After completing a high school course, why is a “final examination” no longer considered a sufficient indicator of mastery of that course’s objectives?

Because of the huge emphasis government has placed on educational competency test results, teachers are forced to “teach to the test” to get their students ready for testing. Failure to pass the proficiency test not only labels the student but is also a negative mark against the teacher for not meeting the needs of his/her students. In some proposals, teacher evaluations are partially based on their student’s success on competency tests. The pressure on educators to develop successful test takers has made teaching less enjoyable and more arduous. My recent conversation with a fellow teacher who is retiring after 44 years of experience stated that “teaching isn’t fun anymore like it was years ago because of all the hoops we have to jump through”.

In today’s Toledo Blade, an article announced “Kindergarten show canceled so children can keep studying”. An annual year end two-day kindergarten show has been cancelled at a New York school because the children have to keep working so they will be “college and career” ready. Kindergarten and even preschool has become academic, at the expense of recess, and the arts, in this era of standardized test-based school reform.

In a recent poll rating the top 200 jobs in America for 2014 based on work environment, stress, and hiring outlook, the following may show the effects of what is happening to the teaching field. A janitor was rated #97; an Elementary School Principal was rated #99; and an Elementary Teacher was rated #117; Rated #118 was a maid and #119 was a carpenter.

Cranberry-Pineapple Punch

1 qt. cranberry juice cocktail
1 T. almond extract
1 qt. pineapple juice
1 qt. ginger ale
1 1/2 c. sugar

Combine cranberry juice, pineapple juice, sugar and almond extract in a large pitcher; stir until sugar is dissolved. Store in an airtight container in refrigerator. Make an ice ring out of ginger ale. Freeze and then Pour cranberry mixture into punch bowl and add ginger ale ice . Yield: 25 servings

A Tidbit of Humor - Mary Lou Mengerink

Mrs. Goldman, the 6th grade teacher, posed the following Problem to one of her arithmetic classes:

"A wealthy man dies and leaves ten million dollars. One-third is to Go to his wife, one-fifth is to go to his son, one-sixth to his butler, One eighth to his secretary; and the rest to charity. Now, what Does each get?"

After a very long silence in the classroom, Little Morris raised His hand.

The teacher called on Little Morris for his answer.

With complete sincerity in his voice, Morris answered, "A good lawyer...!"

A census taker knocked on a lady's door.

She answered all his questions except one. She refused to tell him her age.

"But everyone tells their age to the census taker," he said.

"Did Miss Maisy Hill, and Miss Daisy Hill tell you their ages?" she asked.

"Certainly." he replied

"Well, I'm the same age as they are." she snapped.

"As old as the Hills," he said as he wrote on his form.
